PRESENTING:

- 1985 Oregon Riesling
- 1982 Cabernet Sauvignon

NOTES:

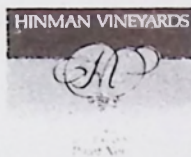

Come to Hillcrest Vineyard to discover the secret of the wines as Richard Sommer did 28 years ago when he tasted wine from the first vintage. Outstanding, he thought, with more flavor and aroma than he ever expected. This taste confirmed his assumption that when grapes are grown in the moderate climate and soils of the Umpqua Valley and picked at optimum maturity, one is apt to make good wine. Now, with 35 acres of firmly established vines, he is pursuing the rest of the secret: pick ripe grapes and treat them with care. The vineyard specializes in late harvest Riesling and bottle aged Cabernet Sauvignon. Picnickers welcome.

Ken studied winemaking and viticulture at UC Davis, and worked as winemaker for two Monterey County (California) wineries. He also traveled in the Burgundy and Bordeaux regions of France to study winemaking and viticultural techniques. VALLEY VIEW VINEYARDS

1000 Applegate Road
Jacksonville (Ruch), OR 97530
(503) 899-8468

The original Valley View Winery was established in the mid-1800's in Jacksonville by Peter Britt – a man of many trades. Valley View soon became one fo the largest wineries on the west coast, but stopped production upon Britt's death in 1905.

In 1971 the Wisnovsky family moved to southern Oregon from the east coast and planted 26 acres of grapes in the beautiful Applegate Valley. We produced our first wine in 1976 and decided to honor Britt by reviving the name of Valley View.

Because the Applegate Valley is one of the warmest valleys in western Oregon, we concentrate on Cabernet Sauvignon, Merlot and Chardonnay. We have won numerous national and international awards for both our wines and our special artist labels which honor the Peter Britt Music Festival.
